MASTER COOKING CLASS

LUANG PRABANG

A cooking class is an ideal introduction to the local culture and cuisine.

For your guests wishing for a private cooking experience a cut above, we now offer a custom-designed private cooking class, exclusively run by Tamarind owner and head chef, Mr Joy. Ngeuamboupha. Mr Joy is an excellent guide, chef and host, who has helped Gordon Ramsey to uncover the secrets of Lao cuisine.

The private class for groups of up to 4 persons is held in a beautiful outdoor pavilion, surrounded by lush greenery. Using the freshest local ingredients, guests learn to make several Lao dishes before sitting down to enjoy their fruits of labour for lunch together with Chef Joy.

LA SEINE HOTEL

VIENTIANE

One of our newest favourites on the hotel front in Vientiane is the riverside hotel 'La Seine.' This boutique hotel is located near the riverfront's lively handicraft and food markets. Reflecting Vientiane's colonial era and capturing a romantic charm, the hotel boasts 37 rooms and spacious suites. Daring modern Art Deco interiors are tastefully matched with artistic handmade Lao fabrics.

The rooftop bar has tasty cocktails, a wide selection of wines and some of the great riverside view. La Seine is now in the skilful and experienced hands of General Manager Stan Fradelizi who brings over a decade of experience managing some of our favourite properties such as Pakbeng Lodge and Inthira Hotels.

NAM KAT YORLA PA OUDOMXAY

Who does not appreciate a tranquil place to relax and re-energize after exploring Mountainous Northern Laos? Set amongst a protected forested area along the Nam Kat River, the Nam Kat Yorla Pa Resort provides just that. The resort offers 31 villas and an inviting infinity pool set amidst a jaw-dropping river and mountain backdrop. The specious villas are placed strategically by the banks of the river in a gorge winding through the forest. Experiences at the 'Adventure Park' mainly focus on the domestic market but we organize some excellent treks and exploration-tours in the stunning surroundings making Nam Kat Yorla Pa a great option for 2 or 3 nights.

The resort is just 30 minutes from Oudomxay, with direct flights from Vientiane as well as transfers by train which has reduced transfer time remarkably from the previous 5-hours by road from Luang Prabang.

OUR GUIDE IN FOCUS; MR. LANEXANG LUANG PRABANG

In this edition of the newsletter, we are pleased to update you on one of our expert guides, Mr Lanexang. Lanexang pivots away from the quiet days in Luang Prabang and has recently combined his passions for coffee & kayaking, opening up "Nam Ou Café & Kayaks"

Q: Congratulations with your start-up! How did you come up with this idea ?

A: I love the Nam Ou River and the adventurous opportunities it brings. I also love coffee and I know well it is not available in this area. While waiting for a return to better times for Luang Prabang I have invested my savings in this small but lovely Café on the Nam Ou.

I now offer coffee and kayaking to domestic tourists and hopefully soon to International tourists too.

Q: I hope you won't give up guiding?

A: Don't worry, I cannot wait for our guests to return and to show them once again the very best that Laos has to offer.
